OPERATION DEDICATION: DR. CHARLES KELLOGG

Even if you never had Dr. Kellogg as a teacher, he has indirectly affected everyone at Masco. As the department head, he organizes all our science curriculums. He is a genuinely caring person, always happy to put down his briefcase and chat for a while in the halls.

It's easy to see that Dr. Kellogg loves teaching biology. In class, anecdotes and games are mixed in with hard science facts. This surprises the unwary student who expects to have a boring class. Here's an example of a day in biology.

"Oh I just remembered!" Dr. Kellogg says, his blue eyes lighting up as he turns to the class.

"Look at these!" he exclaims. The fun and games side of Dr. Kellogg is now displayed as he dons a pair of red and blue glasses. He shows the class a book of DNA drawings.

"Now you can really see what DNA looks like in 3-D!" he continues as the class roars with laughter, and suddenly more eager to learn about biology. It is his energetic teaching style and love of science that make his classes lots of fun.

Every year, Dr. Kellogg's classes spend two weeks studying the Ipswich River. This casual atmosphere persuades even the meekest of students to brave the icy waters in search of snails and insects.

Dr. Kellogg encourages participation in the science fair, and helps many students with their projects. He is not only renowned for his interest in science. He is well known for his sound advice and ability to listen. At home, he likes hiking and canoeing.

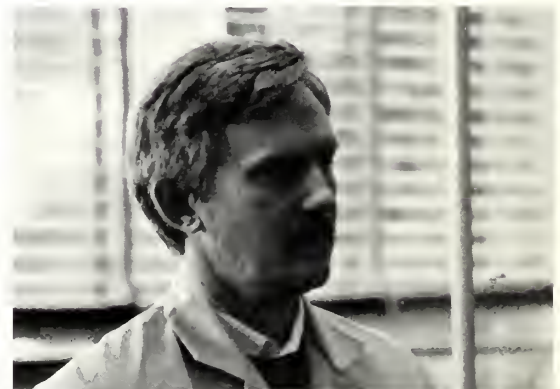

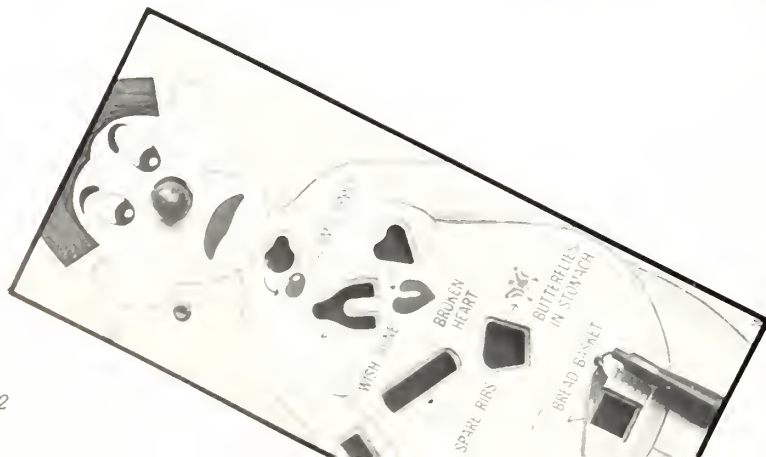

In appreciation of his contribution to the Class of 1989 and to all of Masco, we would like to dedicate the 1989 MITOBO to Dr. Kellogg.

A DIFFERENT SORT OF HOMECOMING

This year was Masconomet's 30th anniversary and Homecoming began with an energetic pep rally and dance. The Football Alumni Association organized a reunion and cheered on the athletes at the rally and at Saturday's games.

Homecoming was very different this year but still a great success. Due to the new track, floats were out and skits were in. Being the 30th anniversary, each class had a decade of Masco's existence to sing and dance to. The Freshman class disco danced to Saturday Night Fever and represented the 1970's. The peace-loving days of the 1960's were shown by the Sophomores who also won the cafe-decorating. The crowd sang and danced with the robots of the future with the class of 1990. Finally, the senior class "Taught the world to sing," in the 1980's, with kazoos and balloons.

The highlights of Homecoming were the games and the Girl's and Boy's soccer teams didn't let us down. The football team gave a good effort, but just couldn't pull off a win. Overall, Homecoming was very enjoyable for all those involved in it.

BANNER YEAR FOR BOYS SOCCER

Record: 17-1

Captains: Robert Bilsbury, Mark Butterworth, Gary Malmquist

All-Stars: Gary Malmquist

All-League: Rob Bilsbury, Mark Butterworth

All-Scholastic: Mark Butterworth

Coaches' Award: Rob Bilsbury

Team Award: Mark Butterworth

The Boys' Soccer Team reigned again over the Cape Ann League with only one loss. With both a strong offense and defense this team was hard to beat. Few opponents could score on goalie Rob Bilsbury who had 11 shut-outs in the regular season tying the school record. The offensive powers had many high scoring games with hat-tricks by Jeff Sumner, Chris Robinson, and Mark Butterworth.

The team is looking forward to a strong team next year with many starters returning. Brian Lindquist, the Regan brothers, Jason Powers, Scott Farmer and Scott Demers, will all help lead Masco boys soccer to the top of the league once again.

GIRLS KICK THROUGH ANOTHER SEASON

Record: 15-2-2

Captains: Julianne Kinley, Jen Robinson

All Stars: Alex Kucera, Marci Maglio

All-League: Lauren Blaeser, Dawn Leary, Jen Robinson

Coaches Award: Julie Kinley

Team Award: Jen Robinson

The girls soccer team continued the winning tradition. Despite the loss of many starters, the team pulled together and had a very successful season. They finished at the top of the Cape Ann League with a 15-0-1 league record. Twice this season they beat their rival, North Andover. Their only losses came from non-league with strong Division I teams.

The offense was led by Dawn Leary and Marci Maglio. The mid-field was strong due to the efforts of Jenny Robinson and Colleen Mulkeron. Julie Kinley and Lauren Blaeser were the veterans who helped out Alex in the net. The team was plagued by injuries which hurt them in the state tournament. The girls played a great game against Belmont, but lost in triple over-time. With all the underclassmen on the team this year the girls should continue to dominate the league again next year.

Record 14-3-2
Captains Rick Anthony, Brian Woodland
Coaches Award Keith Gallagher
Team Award Brian Woodland

Masconomet's Golf Team had another successful season. They were especially psyched to beat North Andover. Another highlight of the season was Rick Anthony's hole-in-one during practice. The team had a lot of fun. As senior Keith Gallagher says, "Golf was a lot of fun. Coach Lauzon was a nice guy, and double sessions weren't too bad." The team should be successful next year with Rick Anthony, Doug McGregor, and Troy Eldridge returning.

Captains Jen Bertero, Britt Swanson

All-League Tami Richoli, Britt Swanson

All-Star Tami Richoli

Coaches Award Kathy MacNaughton

Team Award Britt Swanson

Although this wasn't the best year for the field hockey team, they had a strong season. There were excellent performances by Tami Richoli, Andrea Lucy in goal, and Jen Bertero and Britt Swanson. Team members felt that they had the potential to be a strong team in the league, but didn't push themselves when there was less pressure. The team was supplemented by skilled juniors and sophomores who will make for an excellent team next year.

Record 7-3

Captain Joe Czarneski

All-League Dan Alperin, Doug Winship

All-Star Dan Alperin

Coaches Award Joe Czarneski

Team Award Tom Froning

The Masco Boys X-Country Team had a stellar season this year. The team got a new coach, Mr. Alexson, who had many new ideas on proper training, and made the season a lot of fun. The team was made up of all underclassmen, with a majority of Sophomores and Freshmen. This year's team was lead by Dan Alperin, and Doug Winship who consistently finished 1-2 throughout the season. With the entire team returning, the squad should do even better next year.

Captains Allison Stambaugh, Sue Gauldrault

All-League Kristen Daly, Beth Legacki, Gretchen McCracken

All-Star Beth Legacki, Gretchen McCracken

All-Scholastic Gretchen McCracken

Coaches Award Sue Gauldrault

Team Award Allison Stambaugh

The Masconomet Girls Cross-Country team raced after another undefeated season, and were again victorious. The team blew away nine of the ten teams they faced. As one of the other teams coaches said, "We didn't even know what happened, they just blew us away." It was in the last meet of the season against North Andover where the girls first faced competition. Both teams knew it would be close, but no one suspected it would be a one point difference in scores. The Masco girls prevailed due to the finish of Leah Segalini.

The team also had great success in post season action. As a team they were 2nd in Northern Areas, and 5th in the State Class Meet, and 14th in the All-States. As individuals, Gretchen McCracken was 13th in the All-State Meet, Masco's highest finisher ever, and she was 1st in the league meet and league MVP. Beth Legacki and Kristen Daly were also strong finishers in the League Meet, finishing second and seventh respectively.

The numerous pasta parties and experiences at Bradley Palmer made the year especially memorable. With all of the top five runners returning, Casey's Bunnies should be hopping to another successful season.

Hey Joe, what you looking at? Lori?

Row 1-S. Gauldrault, A. Stambaugh Row 2-M. Harrington, A. Jefferson, L. Turner, L. Segalini, J. Jackson Row 3-K. Daly, M. Boyle, C. Stambaugh, A. Hill, G. McCracken, B. Legacki, Coach Casey.

Football

Record 0-10
 Captains Daryl Foland, Phil Richardson
 Coaches Award Phil Richardson
 Team Award Daryl Foland

Though their record wasn't flawless, the football players feel they got a lot out of the season. There were a lot of individual and team successes throughout the season. The players were close, and enjoyed making new friends.

The team is losing only a fraction of the team, and with upcoming talents like Lee Spencer, and Jeff Milks, the team should do better next year. Good luck to the returning players and next year's captains, Jeff Milks, and Mike Gillert.

Run with it!

Girls Volleyball

Record 4-16

Captains: Cris Clinch, Adria Watson

All-Star: Lisa McKenna

Coaches Award: Chris Dillaway

Team Award: Adria Watson

The Girls Volleyball Team had their ups and downs, but they set and bumped themselves to a fun season. The team's record wasn't as impressive as it could have been, had the girls not been in such a difficult league. Captains Adria Watson, and Cris Clinch led the team, with the help of underclassmen, Karen Kiley, Lisa McKenna, and Gretchen Hoover. Next year's team should do well due to the efforts of the aforementioned underclassmen, as well as the support of Coach Faust.

Lisa socks it to 'em.

Halloween Party

The most exciting part of the Senior Halloween Party was the beginning of the costume party. After that spectacular parade of contestants the awards were announced. Some of the winners were Sexiest: Sara Shannon, Best Group: Wizard of Oz, and Scariest: Julie Moreschi who wore an expressionless mask. Most Creative: a pair of thermometers (Kieth Gallagher and Phil Richardson) and Jen Robinson and Colleen Mulkerron were most original as a clothes line.

Teen wolf, rumored to be Mr. Craig prowled the premises. Some brave souls tried to keep the spirit alive with music and dance, but by that time most people were heading home under the full moon.

The Clash of the Classes

The annual powder-puff competition was again successful, that is if you happen to be a junior. The Class of '89 lost for the second year in a row, but the effort was enjoyable.

Despite the loss, the seniors Deb Boyle, Heather Maurice, and Martha Lawrence helped out. Unfortunately, they couldn't hold back Tami Richoli, Andrea Lucy, and Gretchen Hover who easily defeated the senior girls.

The game did bring out a lot of school spirit. There was a large turnout and the seniors were lucky to have their own cheerleaders, all clad in spandex. Overall, the game was a lot of fun.

Boys Basketball

Captains: Jeff Smith, Phil Richardson

All-League: Phil Richardson

Team Award: Phil Richardson

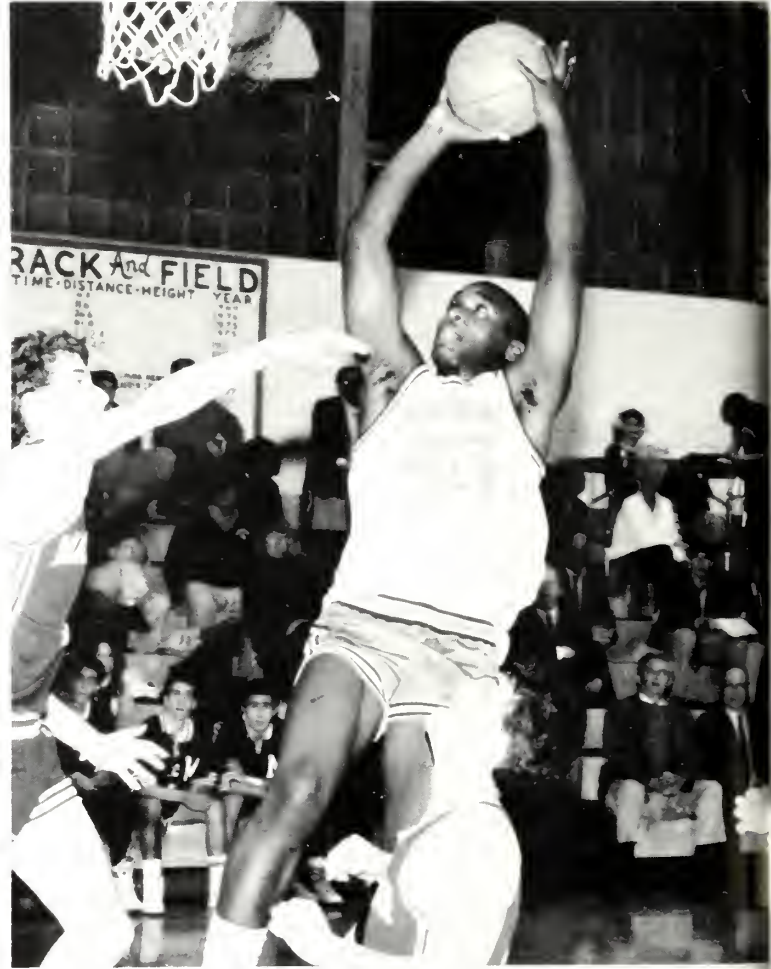

Coaches-Award: Chris Gordon

All-Star: Phil Richardson

The Varsity Boys Basketball team had a discouraging season this year. The loss of nine seniors could be the reason for their misfortunes, but according to Chris Gordon, "We're a young team. Next year many experienced underclassmen will be returning and the team should be stronger." Hopefully, he's right. Getting back to this year, Captain Phil Richardson was great and he was an asset to the team, regardless of their record. Rich Miranda, and Alex DeJesus also put forth a great effort. The talent of Phil, Bobby, Jeff and the other seniors will be missed next year. If things go right, the basketball team will grow better as they age, kind of like wine and cheese.

The girls had a young team this year, but it certainly didn't offset their performance. Captain Beaulieu bounced back from a knee operation and became an asset to the team. She spent most of the season feeding the ball to high-scorer Lisa McKenna. Other superstars on offense were Dawn Leary and Andrea Lucy for her three-pointers. Kate Gilmartin had the freebies, which isn't a disease. The team ended the season as C.A.L. champs and should do as well next year.

The girls gymnastics team had another successful season. Led by Kim Francis, the girls once again won the Greater Boston League. The girls were excited about having a new coach, Amanda Kennedy, and had a lot of enthusiasm. Seniors Sadie Dayton, Allison Stambaugh and Julie Jackson helped this team remain strong. Freshman Chris Davis also competed in All-Around in some of the harder meets. The girls will lose a lot of seniors, but with the talent coming up, the Girls Gymnastics team will continue to tumble to success.

The hockey team started out strong. Could it be because of the freshman high scorer, Todd Spain? Whatever caused their great start melted away quickly and surprisingly, but Captain Eric Romito's continual support and leadership kept all the players in line.

The wrestling team had quite a season. With many experienced seniors, the team was almost unbeatable in the Cape Ann League. Captain Rob Bilsbury won all of his matches by pins, and many of the other wrestlers were nearly undefeated. Captain Jason Wilcox was injured early in the season, but he recovered and added to the strength of this team. One of the highlights of the season was Mark Magnifico's pin of his opponent from Triton to win the match.

Despite the loss of strong seniors, Todd Frampton, Franz Cowhig, Daryl Foland, Tom Lodewick, Jason Lucey and the captains, the remaining veterans George Sousa, Rich Crosson and Charlie Jackson will lead the Chieftains to another successful season.

The Boys Indoor Track Team had another successful season. The team ended with a respectable record after competing with some tough competition. Pat Regan did well in the 1000, and Doug Winchip was strong in long-distance events, as was Joe Czarneski. Masco's mile relay team was very good and often won meets by winning the last event. Members of this relay team were Anthony Balakier, Jeff Ames, Steve Krom and Jason Powers. James Commette was Masco's most successful competitor. In his first season, James qualified for states in the high jump, and hopes to beat the school record in this meet.

The Boys Indoor Track Team continued to develop throughout the past season, and with the abundance of underclassmen and talent they should continue their success into next year.

Once again St. John's Prep was the team to beat and we didn't do it, but we had a good time trying. Masco had noteworthy performances turned in by Ben Walburn, Josh Jamison, Scott Chew, and Andy Washburn. Let's hope for lots of snow, fast skis, and St. John's injuries next year.

WE WISH YOU A MERRY CHRISTMAS.

This year's Christmas Concert and Art Show was a great hit! The audience packed the auditorium to listen to the traditional Christmas songs by the Chorale and Singers.

Under the direction of Masco's new Band Conductor Dr. Whitelegg, the Jazz Band and Concert Band played superbly. The high point of the evening came when the Concert Band played "Homeowners Guide to Making Music." Our administrators Mr. Soucy, Mr. Smith, and Dr. Carroll let loose and joined the band on the hair dryer, blender and vacuum cleaner. For the finale, Masco alumni joined the Chorale to sing the "Halleluja Chorus" along with the band. Before the concert and during intermission, people walked through the halls to look at art from Masco art students. This successful evening pleased the palettes of both art and music connoisseurs.

'TIS THE SEASON

This year's Senior Christmas Party was well, at least the fifty or so people who went had plenty of room to dance. Seniors boogied down to music by The Cure, The Bangles, R.E.M., and The Beatles, to name a few. The D.J.'s were "cool", and receptive to the requests of the hyper seniors. Perhaps the energy resulted from the delicious chocolaty sundaes, compliments of Putnam Pantry. The smorgasbord began with vanilla ice cream scooped by class officers Becca Bracy and Adria Watson. The sundaes were then flooded with hot fudge, marshmallow, crushed oreo cookies and whipped cream. The sundaes were delicious (just ask Christian) and the dancing was fun; but the best part was celebrating Christmas with friends.

"MOTLEY TALES"

This year's play came with a little ingenuity. "Motley Tales" is a collection of four fairy tales. The four humorous stories were Lazy Jack, The Three Sillies, The Emperor's New Clothes, and King Thrush-beard. This theatrical production was not only comical but extra-challenging for the actors and actresses. The artists applied modern language to these old anecdotes and the actors and actresses portrayed all four stories through the eyes of children. Con artists included Scott Lunn and Paul Shricker. Marcus Jamison played a moron, Stacey Scibelli was a spoiled princess and Chris Guertin portrayed a minstrel to name a few of the roles. As Marcus felt, "It was exciting to try something different by combining four stories into one complete production."

Pirates of Penzance

This year Masco's talented actors and actresses put on the musical Pirates of Penzance. The musical is about a group of pirates who plan to abduct the general's (played by Jason Frankel) daughters and marry them. One tender hearted pirate Fredrick (played by Marcus Jamison), tries to abandon the plan, but he discovers that he is bound by a contract. Fredrick decides to help the other pirates get revenge on General Stanley, and later marry his love, Mabel (played by Kate Murphy).

The crazy murder plan almost occurs, but everything gets sorted out, and the general allows the pirates to marry his daughters. In the end, everyone lives happily after.

The students were very excited about this play. Marcus Jamison said that he's wanted to do this play for the past four years, and was thrilled that it was chosen as the musical during his senior year. Everyone was pleased with the casting, including other key actors, Chris Guertin, who played the Pirate King, and Meredith Davis, who played Ruth. Overall the musical was enjoyable for both the actors and the viewers.

ALTERNATIVE SCHOOL

One of Masconomet's most successful program's is the Alternative School. The school is run by Mr. Pugh, and is slightly different from the majority of Masconomet students' school day. The Alternative School allows students to take only two to four classes, as opposed to five to seven. The other periods are spent in tutoring, on field trips, or studying. This casual approach helps the students handle the workload that they have. This program continues to be one of the best at Masconomet, often teaching students to work to their potential.

TRAINING CENTER

The Training Center offers an opportunity for developmentally delayed students to receive an education in a high school environment. This provides them an opportunity to interact with other students as well as using Masconomet's facilities. The Training Center teaches the students skills which will eventually give them the chance to be independent productive adults. Functional academics and pre-vocational training are the focus of the work in classroom, and field trips are held to practice their new skills. The program is made much more valuable because many students volunteer to help out during their study halls.

Early Childhood Education is a program which involves both Masconomet students as well as pre-school children. Mrs. Mannheim runs the nursery, which is open to 3-5 year olds from the greater Tri-town area. Students sign up for course work with the children during one period of each day. They are taught how to deal with the children's development, and how to make early childhood education a profession. The program is helpful and educational to all those involved.

BACK IN THE U.S.S.R.

This year's trip to the U.S.S.R. was the first ever done by Masco. We spent twelve days traveling with Mr. Spencer and Mrs. Rasner in Moscow, Lenin-grad, and Helsinki, Finland. Highlights of the trip included visiting a school, seeing the Moscow Circus, and the infamous opera. We learned everything from how to ask directions, to how to trade on the black market. The trip was fun, exciting, educational, and awakening. "Look at those trampolines."

Europe 1988

The annual trip to the British Isles led by Mr. Doliber went a bit off the beaten track this year. The trip included a side trip to Amsterdam, and a bus tour through the beautiful Belgian countryside. According to those on the trip Amsterdam's highlights included canal rides and the windmills. After Belgium the group went to London where they stayed for the remainder of the trip. London offered the changing of the guard, Windsor castle and the opera. The trip was a huge success as usual, and hopefully will continue in the future.

DEUTSCH AUSTAUSCH

The 1988 trip to Germany included a variety of things. The participants stayed with German students in Saarbrücken, a large industrial city about twenty minutes from the French border. After a day of attending Ludwig Gymnasium, or another excursion (fahrt), the group would meet at St. Johanner Markt for some laughs and perhaps other things. One of the major highlights was a trip to East Berlin. According to international traveler Amy Bodwell, "The looser feeling of West Berlin was quite different from the cold, dark atmosphere of East Berlin. East Berlin was quite depressing." All in all, the students enjoyed themselves while taking advantage of a valuable opportunity.

LE VOYAGE FRANCAIS

In the spring of 1988, several Masconomet students traveled overseas to France for an enriching experience. Running from sight to sight all over France, the students visited several museums, cafés, and all the French landmarks, such as the Tour d'Eiffel. After eating the wonderful fromage and flakey pastries, Masco students became cuisine connoisseurs. However, the best part of the trip was living with a French family and experiencing French culture first-hand. With their fearful leaders, Mrs. Smick and her beau, Masco students explored the nooks and crannies of France.

The Prom

The 1988 Junior-Senior prom was held at Jimmy's Allenhurst on May 20, 1988. The preparations which had begun many months earlier were drawing to a close- tuxes were ordered, dresses were bought and flowers were in abundance. After a delicious dinner of stuffed chicken and veggies, everyone danced the night away on a small parquet floor in the dining room. One of the highlights of the evening was the announcement of the King and Queen's Court. Princesses for a moment were Janine Dolan, Lyn Hamacher, Heather Maurice, Sara Shannon, Allison Stambaugh and Adria Watson. Queen for the night was Jen Bertero. Our lineup of princes included Franz Cowbig, Todd Frampton, Phil Richardson, Jeff Sumner, Matt Quinlan and Ariel DeJesus. King status was conveyed upon Rob Bilsbury (remember one night only, Rob!). As the prom was drawing to a conclusion everyone danced to "Walk Forever By My Side", ending a wonderfully romantic evening.

Jello Wrestling

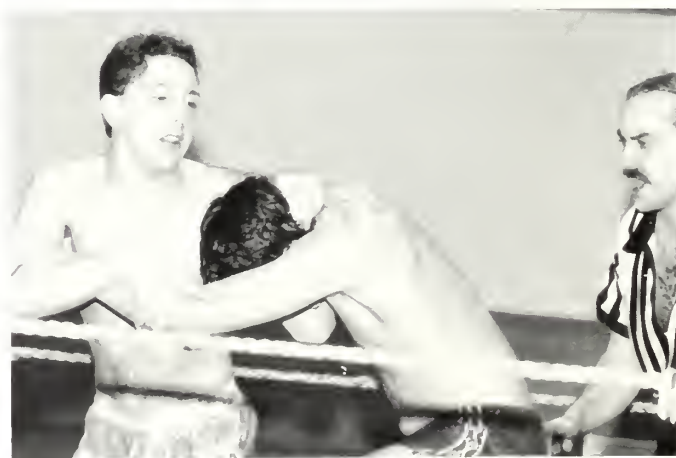

One of the highlights of the year, had to be the first JELLO wrestling competition. There were many brave souls who entered the cold green slimey ring. The crowd ate it all up. One team, Phil Richardson and Jeff Sumner pleased the audience with a pre-match display. The crowd went wild when a group of Freshman ran around in streamers and body paint. The wrestling also included a few grudge matches. Tom Lodewick and Mark Butterworth, the starters, lost a well performed match to the bench warmers, Jason Lucey and Todd Frampton. The crowd also got to enjoy some female JELLO wrestling. Sadie Dayton defeated Merry Conrad, and the tag teams of Jen Bertero and Britt Swanson, and Kelly DeMonaco and Adria Watson successfully took down the referee, which led to their disqualification. The faculty got into the show as well, Mr. Soucy sponsored the Bud Boys, Keith Gallagher and Bob Webber, and Mr. Meegen sponsored the Psychos.

YEARBOOK STAFF

Well, here we are at the last yearbook meeting. What, Mr. Meinelt? This isn't our last? Anyway, aside from creating confusing layouts, battling state-of-the-art photosizers, phoning numerous people identifiers, phoning Todd's house, and forming close, personal relationships with the employees at The Finer Image, we each have our own accomplishments of which to be proud. Brian D'Connor (Art Editor) has bagged loads of groceries and priced many a bundle of broccoli at Henry's. Todd Gregory (Editor-in-Training) has enjoyed the skislopes (and hospital rooms) of Killington and Snowbird. Liz Hagan (Photo Editor) has accompanied her faithful companion, Jack the Photographer, to take candids anytime, anywhere, anyhow. (It's painful missing class, we know Liz, but we felt that you were the best lizard for the job). Elissa Glatz (Business Editor) was ready, willing and able to point out the most attractive males in all the pictures. (Oh, how many secrets we could tell about Elissa). Julie Jackson (Computer Editor) has typed her muscular fingers to the bone and will never tire of thinking up corny captions. Debbie Boyle (Assistant Editor) Deb? Deb???? Oh, she's busy concentrating on one of the sports layout again. Liz Craig (Editor-in-Chief) has used yearbook as a cover for her weight training. Those big, heavy boxes she carries around in upper B wing? it's all part of the training, and Mr. Meinelt (Advisor) has become Tracy Chapman's biggest fan and shown us, once again, "If you're going to do it, do it right!"

Our thanks to Tom Keeley our understanding parents, people identifiers, picture providers and all potential praisers of the 1989 MITOBO. Good night, and may all the games you play be good ones.

Heellooo, baby!
